

# OmniFnB

Empower the F&B industry to be fast and approachable

Jardine Restaurant Group

Enoch Wong | Li Junze | Qian Zian | Wang Zhiwei

## Ice-cream trucks are heartwarming

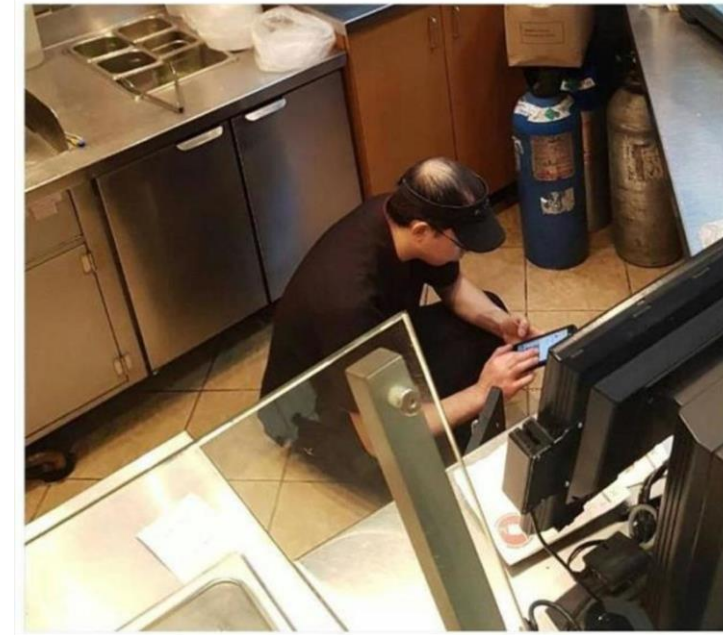

## Eating in fast food restaurant is heartbreaking

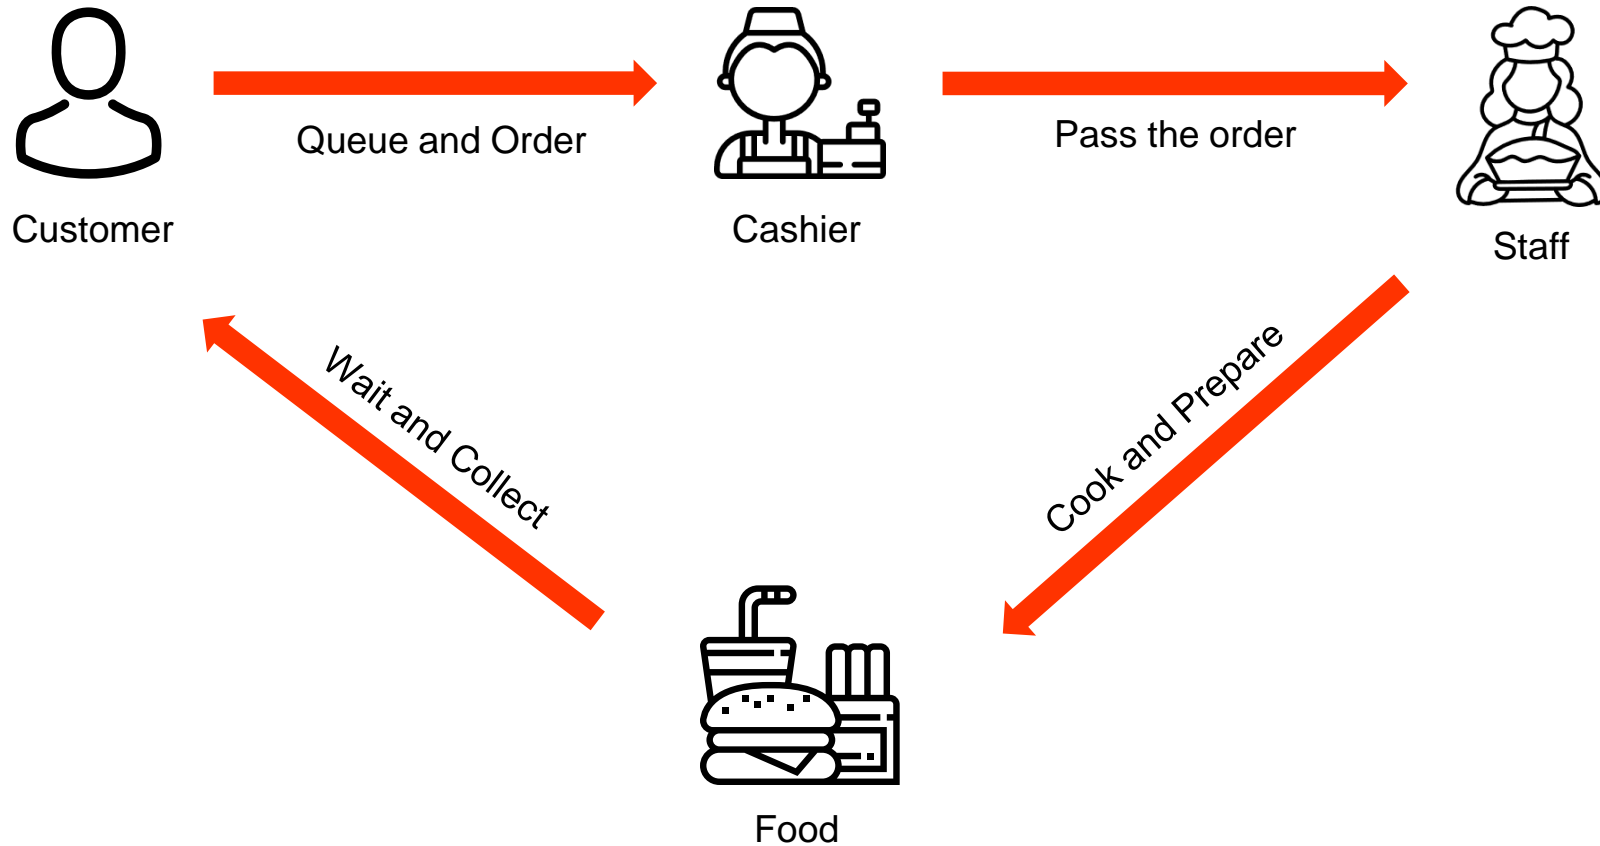

**Fast food really is getting slower**

Been waiting 5mins to order my food and realised the employee is behind the counter playing on his phone

# Customers need to undergo a time-consuming process

## Customers need to undergo a time-consuming process

How to enable the food and beverage industry to provide faster and more approachable services?

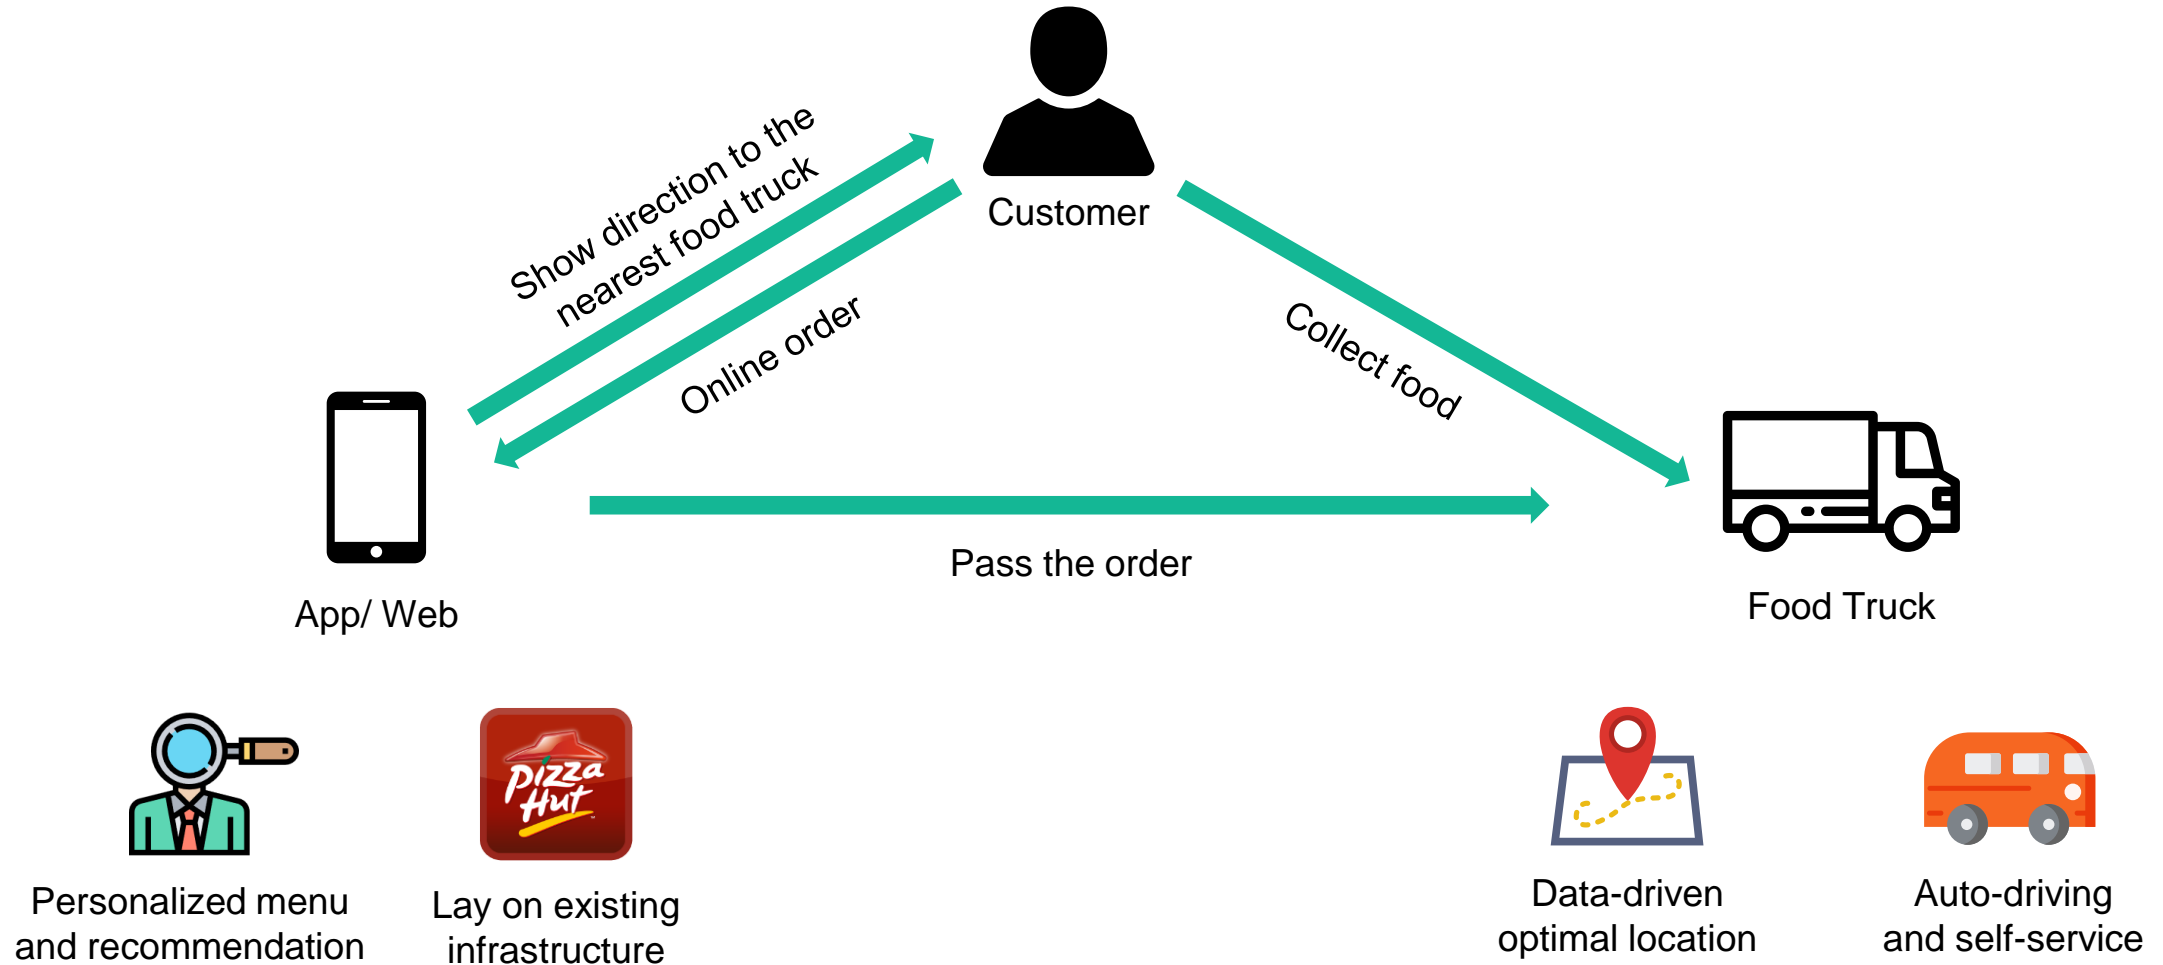

Food

## OmniFnB integrates apps and food trucks for seamless food delivery

# OmniFnB integrates apps and food trucks for seamless food delivery

# OmniFnB leverages on existing infrastructure for operations management

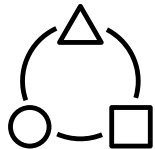

# OmniFnB creates win-win situation for both customers and restaurants
